

9 WAYS TO SEE

Uncovering the Passions and Fixations of the Enneagram

Passion: An emotional filter effecting thoughts, feelings and actions. Automatic and unconscious, created from core fears and desires.

Fixation: Habitual mental pattern of thinking, feeling and behaving. Influencing perceptions and interpretations, relating to core fears and desires.

	Passion	Virtue	Fixation	Collective Idea
8	LUST I need more.	INNOCENCE I am curious.	VENGEANCE I need to be the one.	COLLECTIVE TRUTH I accept universal justice.
